STATEMENT UNDER 37 C.F.R. § 1.97(b)

Pursuant to 37 C.F.R. §§ 1.56 and 1.97(b), Applicant brings to the attention of the Examiner the documents on the attached listing. This Supplemental Information Disclosure Statement is being filed before the mailing date of a first Office Action on the merits for the above-referenced application and supplemental to the Information Disclosure Statement filed on July 27, 2005.

Each document listed in this Statement was cited in a PCT communication from the International Bureau of WIPO in a related foreign application (PCT/EP2004/003820). A copy of the PCT communication is attached. The references cited in the PCT communication were previously listed on the IDS Form PTO/SB/08 attached to the Information Disclosure Statement filed on July 27, 2005. Applicant respectfully requests that the Examiner consider the PCT communication and other

listed documents, and indicate that they were considered by making appropriate notations on the attached form.

This submission does not represent that a search has been made or that no better art exists and does not constitute an admission that each or all of the listed documents are material or constitute "prior art." If the Examiner applies any of the documents as prior art against any claim in the application and Applicant determines that the cited documents do not constitute "prior art" under United States law, Applicant reserves the right to present to the office the relevant facts and law regarding the appropriate status of such documents.

Applicant further reserves the right to take appropriate action to establish the patentability of the disclosed invention over the listed documents, should one or more of the documents be applied against the claims of the present application.

If there is any fee due in connection with the filing of this Statement, please charge the fee to our Deposit Account No. 06-0916.

Respectfully submitted,
